I WAS GOING
EASY ON YOU
BECAUSE
YOU'RE A GIRL.

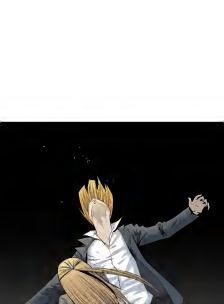

A comic book illustration of a city scene. In the background, there are several tall buildings, including a prominent skyscraper. In the middle ground, a large dam with multiple arches spans across the frame. In the foreground, a bridge with a brick railing is visible. Several people are walking on the bridge. Three speech bubbles are overlaid on the scene. The overall style is that of a classic comic book.
